THE TEE-DEE MONEY PICTURE

Listen, Richmond business man! Did you ever stop and think That-good results are sure to come From using printer's ink? If you would sell your merchandise, And a reputation mould, Just use the little T.-D. Ads., Which always turn to gold.

A PRIZE OFFER.

A PRIZE OFFER.

The above picture is the one of a series of the same style, which The Times-Dispatch has prepared for the purpose of adding interest to the Tee-Dee Want Ad. Pages. These will be called The Tee-Dee Money Pictures, and the object of each will be to impress the fact that a very little Money can accomplish great results, when that Money is permitted to work through the Tee-Dee Wants.

It is possible that the picture and the poetry might both be improved a little, but the artist and the poet are both very proud of the work that they, have done on this series of pictures and poems, and they feel quite certain that they have done better than any of The Times-Dispatch readers can do. The Times-Dispatch however, is not quite satisfied with their efforts and 'thinks that some of the amateur artists and poets, who read The Times-Dispatch as going to offer three prizes of 11 each for the three best pictures or poems received before next Thursday night.

The Times-Dispatch will be the Judge and will pass impartially on each one received. If the poem is unusually good, it may win a prize without any reference to the picture, or if the picture is good, it may win without reference to the poem. In other words, if you can draw a picture, draw the best one you can, and if you are not much of a poet you may win or your picture.

Send in either picture or poem, or both.

If there are any very good pictures or very good poems, The Times-Dispatch will publish them. None will be considered unless the general style and idea as given in the picture and verse above are followed and the real and full name of the contestant must be signed to each picture or verse. The best three whether they be pictures or poems, will each receive a dollar.

The next one of this series will appear next Sunday.

ALL DRAWINGS MUST BE IN BLACK INK.

The unknown artist who won the third prize last week was Jno. Sharp, 523 North Ninth Street.
